

The background of the image is a top-down view of a desk. It features several sheets of white paper with technical drawings, including architectural floor plans and mechanical cross-sections with dimension lines. A black pen with gold accents lies on the left side. In the upper right corner, a pair of silver cufflinks is visible. A white rectangular box is centered over the drawings, containing the company logo and text.

Semplicemente, bellissimo

The beauty of simplicity

La **semplicità** è la chiave della vera **bellezza**.

Leggere, pratiche e maneggevoli, le griglie Modulartem rappresentano il valore aggiunto per ogni vaso di qualità. Orientabili sia perpendicolarmente, sia parallelamente all'acqua, sono sollevabili senza sforzo, per permettere la pulizia della canala e la manutenzione della piscina.

Simplicity is the key to **beauty**.

Modulartem grids are lightweight, practical and easy to handle: they provide added value for any quality pool. These grids can be adjusted perpendicularly or parallel to the water and are easy to lift. That's why cleaning the conduit and servicing the pool has never been so effortless
